Dear Mr Rodrigues,

Many thanks for your answer to our letter regarding CRAM-Q and the dolphin called Martinha.

We are glad to know she is fine and that you are building new facilities for her to offer the best housing conditions possible at the moment.

As this issue is of high importance to us, we would like to have a meeting with you and whoever you find necessary, in the next months. Would it be possible? Of course, we can go to Lisbon or the place that fits best to you, in order to make it easier for you to attend the meeting.

Please, give me a couple of possible dates for the meeting to take place and I will be pleased to meet you. Feel free to answer via email to m.martinez@faada.org and/or to the postal address that you can find at the foot page.

Many thanks in advance

Yours faithfully,

Míriam Martínez Macipe
